#### 4-H LIBERTY SHIP

Broadcast by Ruth Van Deman in the Department of Agriculture's portion of the National Farm and Home Hour, Thursday, September 16, 1943, over stations associated with the Blue Network.

--ooOoo--

Now one word on a different subject.

About an hour ago a new Liberty ship slid down the ways of a shipyard at Savannah, Georgia. It was to be christened by a 4-H Club girl.

The 4-H Club members of Georgia started out to sell enough bonds to pay for this liberty ship and to raise enough food to fill it. They exceeded both goals. In fact they sold enough bonds to pay for more than four ships -- more than 9-1/2 million dollars worth. Sallie Cook, the president of the Georgia 4-H council, will tell you more about the successful drive on the National 4-H Club Program October the second.
